## **DIGITAL HYPERTENSION SOLUTIONS: WHAT'S WORKING AND WHAT'S WORTH IT**

Join key representatives from Peterson Health Technology Institute (PHTI), Humana, and NHCR's Payer Taskforce to explore insights on the latest digital hypertension solutions. PHTI Executive Director Caroline Pearson will share recently-published findings from PHTI's Digital Hypertension Management Solutions ([available here](#)), including on blood pressure monitoring, medication management, and behavior change approaches.

**December 16, 2024 | 1:00PM ET**
